Notice to all Parents and Students regarding private tuition or coaching classes from school teachers.

Dear Parents,

Greetings from Silver Point School !

With a great concern, it has come to the notice of the School authorities that students are engaged in obtaining private tuitions from their teachers of Silver Point School.

You are requested to refrain from this kind of act and if needed otherwise, a written application addressed to the Principal must be sent stating the cause of the same to the school. Tuitions handicap a child who is otherwise capable to cope with academics in school and should not be encouraged to be used as a crutch. Also please note, a disciplinary action will be taken by the school authority, if such cases come into light inspite of informing all time and again.
