Dear Students/Parents/Guardians,

As part of our school's environmental awareness and sustainability initiative, students are requested to bring the following items to school:

Nursery, LKG, UKG and Classes III to V: One clean, empty plastic bottle.

Classes I and II: One Eco Brick (a clean plastic bottle tightly packed with clean, dry, non-biodegradable plastic waste).

Submission Date: Monday, 27th July 2026

Parents are requested to ensure that all bottles and Eco Bricks are clean, dry, and securely packed before sending them to school.

Your support and cooperation in promoting environmental responsibility among our students are greatly appreciated.

Thanking you,

Yours sincerely
