Introduction of Mindspark for classes II to VI for subjects English and Mathematics.

Dear Parents and Guardians,

We are pleased to inform you that the school has introduced a personalized learning software Mindspark for the students of classes II to VI. Every child is different and this software creates a custom learning journey based on the students strengths and weakness.

Thus, it creates a holistic learning experience for every student, encouraging self learning and helps in their learning journey.

Kindly note the following information: -

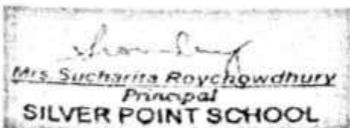

Classes and Subjects -	For students from classes II to VI.
Subjects -	English, Mathematics
Devices needed -	Mobiles, Laptop, Desktop.
How to login-	The Mindspark app can be downloaded in the device or the student can directly login through the portal.

For the English modules, students are required to use headphones.

The students have been trained in the school and a Parent Orientation will be held shortly.

Kindly note a Username and a password has been provided in an excel sheet as shared by the Class Teacher. Please recheck your child's name and if the name is not mentioned in the list, kindly revert to the class teacher by 3.5.25, Saturday for the needful to be done.

Regards,

Sucharita Roychowdhury
Principal
