Academic Support for Pre Primary (classes Nursery to II) students.

Dear Parents and Guardians,

At Silver Point School, we prioritize the academic progress and well-being of each and every child. To ensure that no student is left behind, we have taken the initiative to introduce Remedial Classes for our pre primary students from Nursery to Class II.

These classes are designed to provide additional support to students who require extra attention in specific subjects. Our experienced teachers will work closely with students to identify areas of improvement and provide personalized guidance to help them overcome their challenges.

The Remedial Classes will be conducted for 1/ 2 days weekly after school. The students will stay back on these days for the Remedial classes. Those who have submitted the Consent Form will only attend the classes.

Please note the following dispersal time schedule for the Remedial Classes-

From 9th September, 2025 onwards
Nursery - Mondays - 12:00 to 12:30 pm
LKG - Tuesdays, Wednesdays -
12:45 to 1:15 pm
UKG - Mondays and Wednesdays -
1:00 to 1:30 pm
Class I - Thursdays and Fridays -
1:30 to 2:00 pm
Class II - Wednesdays and Thursdays -
1:30 to 2:00 pm.

The classes will be for the subjects English and Mathematics only to begin with. These students must bring extra tiffin on the days of Remedial classes. The students must make an extra copy (one for Mathematics, one for English) for the Remedial classes.

We believe that this initiative will not only enhance the academic performance of our students but also boost their confidence and motivation to learn.

With warm Regards,

Sucharita Roychowdhury
Principal
